|-----|--|--------------------|---------------|----------------|------------------|-----------|
|     | Thursday - 19 Ju   |                    |               |                |                  |           |
|     | ·  |                    | _             |                |                  | •         |
| 1   |  |                    | 3.5 / 141. A  |                | Canata Annroni   | riations  |
|     | 25.  | 11                 | Met with A    | rnoid Smith,   | Senate Appropr   | nentation |
|     | Committee staff  | , and he said rath | ner than deli | vering volun.  | delivered at 9:3 | 0         |
|     | Provided by CIA," at that time he would prefer to have it delivered at 9:30 Monday, 23 July at which time he would have Guy McConnel, Clerk, present |                    |               |                |                  |           |
|     | Monday, 23 July  | o review the sens  | sitive supple | mentary mate   | erial. With      |           |
|     | respect to provi   | ding the Ervin Co  | mmittee wit   | h Volume III   | and related      |           |
|     | respect to providing the Ervin Committee with Volume III and related information, Smith said the Committee would like to pass it on to the Ervin     |                    |               |                |                  |           |
|     | Committee in line with Chairman McClellan's previous action with respect   |                    |               |                |                  |           |
|     | to Volumes I and II. He suggested, however, that we might want to handle   |                    |               |                |                  |           |
|     | the sensitive supplementary material directly with the Ervin Committee.  |                    |               |                |                  |           |
|     | (Upon reviewing with Mr. Houston the procedure for providing the information   |                    |               |                |                  |           |
|     | to the Ervin Committee, it was agreed that we would ask the Appropriations   |                    |               |                |                  |           |
|     | Committee to advise the Ervin Committee of the additional sensitive information  |                    |               |                |                  |           |
|     | and suggest that   | they contact the A | gency direct  | tly.)          |                  | 25X       |
